Hello everyone

ONLINE STUDENT FINANCE PROCESS 2010

The new online student finance process for 2010 entrants has opened and is fully working, so we're told. It's accessible via:

www.direct.gov.uk/studentfinance

The process links with student UCAS details (log ins and passwords etc) and includes sections for parents to enter financial details.

It is essential for students to liaise with parents closely before submitting the form. As a major change to the process, the school is no longer involved and applicants deal directly with Student Finance England.

Every Year 13 student who has registered with UCAS this year has a Guidance Pack from "Studentfinanceengland". We request external applicants come in to school to collect their Guidance packs.

I would encourage everyone to start as soon as possible - there could be potential technical hitches as this is only the second year of operation and there have been much publicised delays with students receiving their loans when actually at university.

Please feel free to contact me if I can be of any help

Kind regards

Glyn Crees
