Dear Parents/Carers

Firstly, I hope this letter finds you and your loved ones well during these difficult times. I'd also like to express my thanks for the help and support you are showing your children to help them stay focused and motivated through this challenging period.

Your son's/daughter's report is now available for you to view via Edulink. This can be viewed via the website <https://www.edulinkone.com/#!/login> or via the app you have downloaded on your devices. You will need to click on the report section on the front page.

Students are also able to view their reports using their school log on via Edulink. Please encourage them to do so and discuss the report with them. It is important they recognise where they are succeeding and take encouragement. It would also be useful if they could identify some areas they would like to improve and set themselves some targets.

If there are any issues, please don't hesitate to contact us.

Yours Faithfully

Chris Dunn
