Dear Parent(s)/Carer(s)

As part of our contingency planning we want to ensure we are doing everything we can to support families at this difficult time. At present the school remains open and we continue to expect our students to attend. There are, however, two particular issues I would like to bring to your attention in case of school closure.

Firstly, we wish to play our part in supporting the emergency services and anyone else undertaking vital work in the community. If any parents or carers are key workers and anticipate difficulties with child care we would like to offer some supervised study sessions at the school. I would ask that anyone in this situation contacts Mrs Tottman [stottman@imberhorne.co.uk](mailto:stottman@imberhorne.co.uk) in the next day or two.

Secondly, we are aware that the broader impact of the Coronavirus means that circumstances, for some individuals, may change significantly over the coming weeks. We have made plans to manage provision of free school meals for families whom we are currently aware of. I encourage any family who may experience hardship in the coming weeks to get in touch with us, we would hope to be able to provide support in some way. In the first instance, please contact Mrs C Price [cprice@imberhorne.co.uk](mailto:cprice@imberhorne.co.uk)

Yours faithfully

Mr M Brown, Headteacher
