Where are we now?

Students have completed the first 2 of 5 terms of study for their two year courses.

- ◎ **Most A level subjects**

*All external examinations are at the end of Y13.
Internal Y12 exams 24th – 28th June*

- ◎ **BTEC subjects:**

Students have submitted formal assignments and have external exams this summer

Year 13 courses

School policy states that the minimum requirement to continue into Year 13 (terms 4+5) is at least 3 grade E's/ BTEC pass

- ◉ *For most subject the grades from internal end of year exams are used*
- ◉ *For BTEC subjects with external exams, the results in August will be used*
- ◉ *BTEC students already know if they have passed their assignments*

Re-enrolment is Wednesday 4th September

What happens if a student does not meet the minimum requirements?

- ◎ *Students must be in full time education i.e. the equivalent of 3 courses*
- ◎ *We may be able to offer a one-year BTEC certificate to make up to full time (limited subjects, subject to space and timetable)*
- ◎ *Students and families will be given support and guidance for alternative options e.g. apprenticeships, college courses*

Success in Year 13

*Linear A levels are **very** challenging and require a different approach to GCSE/ modular courses;*

- *Continual revision of year 12 from the start of year 13 (“Synoptic Strategy”)*
- *GLH or EPQ on timetable*
- *Mock exams in November and January – outcomes of these will guide exam entries AS or A level*
- *Limit to part time paid work*
