23rd June 2020

To Year 9 Students

From Monday 29th June you will start a new timetable, this will be your Key Stage 4 timetable for the last three weeks of this term (you will receive an updated timetable in September). On this timetable you will continue with your core curriculum, including English, Maths and Science alongside your new optional curriculum. Your optional curriculum is made up of the subjects you have chosen to study in Year 10 and Year 11.

The link below will take you to a document with codes for Google classrooms. Please follow the instructions and enrol in the appropriate google classrooms. If you are unsure about the subjects you have chosen you can see your new timetable in Outlook. To view this you simply scroll forward in your calendar to next week. You will see three sessions a week for English, Maths and Science. For your optional curriculum you will see subjects appear twice a week.

<https://docs.google.com/document/d/1yvybNt1zBdjBiuMYpHul6rbveCmKzkvJ2yvSpmiACAc/edit?usp=sharing>

Subjects will set work weekly for the two or three lessons you are expecting. It is very important that you engage with this work and complete it to the best of your ability. It signifies the start of your examined courses and will be part of what you are assessed on at points through next year and for your GCSE exams in Year 11.

If you have any queries please direct these, in the first instance, to Mr Langstone who can forward them to subject staff. If you are contacted directly by subject staff then feel free to also contact them directly with queries you may have.

Good luck and work hard.

Mr Brown
