*The cornerstones of our
learning community*

17th June 2022

Dear Year 6 Parents and Carers,

Now that we have completed our primary school visits we are beginning the process of allocating students to tutor groups. As you can imagine, this is quite a complex undertaking and we will do our best to take into consideration any requests or information received from the primary schools. It is worth remembering that Year 7 is a fantastic opportunity to make new friends. We know that many of the friendships forged in the early weeks and months of secondary school can be significant and long lasting. Tutor groups will be in place by the time of the Induction Day on Wednesday 6th July.

We are very much looking forward to our Meet & Greet afternoon/evenings next week and hope to see as many of you as possible there. A reminder that this will give you and your child the chance to meet with the Head of Year 7 and members of the Senior Leadership Team. We hope to get to know a little more about our new students too and ask that they bring along the 'Hopes and Expectations' sheet given to them during the primary school visit. Don't worry if your child does not have one of these as there will be an opportunity to fill these in during the Meet & Greet evening itself.

One of the key differences between primary and secondary schools is the greater variety of extracurricular activities that we can offer. We are very proud of the wide range of opportunities we can offer across a whole field of activities, but particularly sport, music, dance and drama. We know that many of our new students will have a wide range of hobbies but for those who don't we want to create as many opportunities as possible to try something new. This will be a key focus for Year 7 once they start in the Autumn and it is something that we will explore during the Meet & Greets.

Kind Regards.

Mr D Jones
