Dear Parent(s)/Carer(s)

I am so pleased to be able to take this opportunity to introduce myself as the Head of Year 7 for your child's year group. I am Mr Hill and I have been a teacher at Imberhorne School for 20 years and Assistant Head of Year for the last 2 years. Throughout my career at Imberhorne I have also represented the school, the local community and the East Grinstead Primary Schools as the School Sports Co-ordinator. During that time, it has been a privilege to meet the children at the primary schools and see them taking part in sports festivals, tournaments and leadership events and then watch them go through school life and mature into delightful and self-assured young men and women here at Imberhorne. I am really looking forward to getting to know your sons and daughters and supporting them on their exciting journey through secondary school too.

I am sure that you have many questions and possibly some worries too. I have been through the process of finding schools for my own children and understand how much you want them to be happy in their new surroundings. Some of you may have children at Imberhorne already but many of you will be unfamiliar with the school. We will be working closely with the primary schools to ensure that your child has as smooth a transition into Year 7 as possible.

I am committed to ensuring that we give your child the best possible experience both academically and pastorally and to working with you to ensure that your child makes the best possible start to secondary school. Over the coming weeks we will be in contact with you regularly to help you feel well informed about the process of transition from primary to secondary school. As part of this, I would like to highlight a few key dates that are coming up after half term:

Meet & Greet Evenings – Tuesday 21st & Wednesday 22nd June

(Drop in any time between 3.00pm to 7.00pm)

Induction Day for Students – Wednesday 6th July 8.30am to 3.00pm

Briefing Evening for Parents – Thursday 14th July 6.15pm to 7.30pm

If you have any questions, there are many people available to help so please don't hesitate to contact us.
