Dear Parents/Carers

I am delighted to be able to share with you the link to our Admissions Booklet which is on our website. We hope this will answer a lot of questions and provide some helpful information. Please share this with your son/daughter and talk it through with them.

There are also answers to some frequently asked questions on the Transition page of our website. If you have a question that is not answered by our website, then please contact us and we will direct it to the most relevant person to assist you.

We are currently in the process of speaking to all the Year 6 teachers and gathering as much information as we can about your sons and daughters. This is invaluable and helps us start to get to know the students and be able to support them as they move from Year 6 to Year 7. Primary schools will be focusing on getting students 'secondary school ready', which will be about developing their confidence and social skills. We will then build on this when they come to us for their Induction Day on the 6th July and when they start with us in September.

Finally, please can I ask that if you have not returned your admissions form yet, that you do this as soon as possible. There is a downloadable copy of the Admissions Form on our website for your convenience.
