Dear Parent(s)/Carer(s)

Re: www.educake.co.uk subscription contribution

This summer we trialled the use of www.educake.co.uk with some of our KS4 students and were impressed by its usefulness in terms of English revision and homework.

Sadly, due to well-publicised budget cuts in education, our resources cannot stretch as far as they once did. As a result, we now have to ask for a small contribution from parents to help us fund this. Without such support, we will not be able to offer this outstanding resource for our students.

An Educake contribution for one year would be £1.50 per student in KS4. Requests for this payment will appear in www.parentpay.com for all KS4 students.

I feel this is very good value for money for an extremely useful revision and study tool. We received positive feedback as a result, of the trial from both students and parents who commented that this would really help them complete focused revision for the GCSE examinations.

Thank you for your support with this, please feel free to contact me directly if you have any queries.

Yours faithfully
